WAYS TO GIVE

Club Connection

Great Futures Start Here!

Welcome to the inaugural edition of Club Connection, your weekly update for the Boys & Girls Club of Atlantic City. There's always something great happening at our clubs, and we're excited to share that with you. Read on to find out what's been happening this week

A handwritten signature in black ink, appearing to read "Charles".

Dr. Charles A. Wallace II, Executive Director

Club News

We are pleased to announce our very first artist in residence, Jerry Compere film composer, concert pianist, and professional musician. Students ages 13-18 will be exposed to classes in music composition, production, singing, and more. The program will start the week of Sept. 11.

We're also continuing our successful STEAM program, which puts the fun into Science, Technology, Engineering, the Arts, and Mathematics. Plus, we're

promoting positive attitudes and healthy bodies with our recreation and wellness programs. Follow us on Facebook for the latest news.

Board Update

A special thank you to **Rene Kane**, board member and Resource Development Chair, for your donation of 75 backpacks. Our kids went back to the classrooms in style and will be putting them to good use all school year.

A huge thank you to **Robert Pattillo, Jr.**, Caesars Entertainment, for hosting our employee appreciation gathering at the Tropicana. It afforded us the chance to say thank you to our team for completing a wonderful, safe summer camp.

The move to our new corporate offices at 1616 Pacific Avenue was

seamless, thanks to board member **Geoff Dorsey**, Dorsey Construction. Geoff's team is the best!

Our Needs

We are grateful for your donations, both in-kind and monetary. Following are items that are needed. If you would like more information, please contact Sharon D'Angio, Director of Resource Development, at sdangio@bgcac.org or (609) 347-2697, ext. 105.

- Music Lab equipment upgrades and enhancements (\$28,780)
- Two 55" Smart TV screens (\$1,000)
- Two freezers for the Teen and Drexel Centers (estimated cost \$5,000)
- Enterprise sound system for our gym (estimated cost \$30,000)
